- Very strong production traits, with positive health and fertility and desirable conformation.
- 11 generations of mostly Very Good and Excellent cows, averaging 87.5 points.

GTPI +2693 80%R

Troy Yoder

At Tramilda Holsteins, our goal is to breed balanced, functional cows that are eye appealing. We feel with Blazer's well-rounded genomic profile, he will make the kind of cows we strive to have on our farm. His dam is a Delta daughter that is a trouble-free cow that holds the potential to score Excellent in the future. Blazer's pedigree brings together interesting sires combined with a deep cow family, which we believe makes him an exciting sire.
